

## A-SERIES

Throughout the world more people rely on our A-Series than all other buoys combined. Put your trust in Polyform's most versatile and well known product.

Available in eight sizes, from 9 inch diameter (28.5 inch circumference) to 41.4 inch diameter (130.0 inch circumference), with buoyancy from 13 to 1345 lbs.

Product No.	Dia.		Circumference*		Length		Eye dia.		Buoyancy*		Net wt. Per unit		Units/ Carton	Gross Carton wt.		Volume/ Carton	
	Inch	cm	Inch	cm	Inch	cm	Inch	cm	Lbs	kg	Lbs	kg		Lbs	kg	FT <sup>3</sup>	m <sup>3</sup>

\* Normal inflation measurements : 2.1 lbs. / 0.15 bar pressure. Temperature at 68 deg. F / 20 deg. C.

### POLYFORM INTRODUCES THE A-7

Similar in style to our other A-Series buoys, A-7 is almost 20% larger than the A-6 in both diameter and buoyancy. A-7 is the largest vinyl inflatable buoy for commercial applications made in the United States. New design features of this product include a redesigned ropehold and new "dual valve" inflation/deflation system.
